

## Victorian

Most houses of a certain age, from the Victorian era into the first half of the last century, originally included a wooden picture rail. For those fortunate enough to have this in your homes, we have a range of specially designed hangers. For those without, however, we offer a high quality Victorian shaped moulding with pre-drilled countersunk holes and wooden plugs to conceal the fixings.

### Top Rails

#### Technical Information

Virtually knot free quality pine moulding  
 Supplied in lengths up to 2.9m  
 3 pre-drilled holes per metre for invisible fixings if required  
 Fixings and plugs supplied  
 To make it easy to join and to form inside and outside mitred corners; each length has one left hand and one right hand mitre. Reversed mitring can of course be supplied on request.

VIC Victorian picture rail moulding
