

**Avanti**

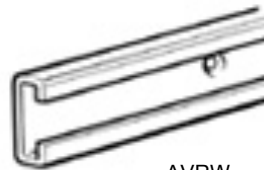

The Avanti system is manufactured in Australia, proudly registered with the Australian Made Campaign, has a modern 'designer' look and is extremely versatile. It works on the wall, recessed into the wall, on the top edge of a partition or panel, even on the ceiling! It takes either stainless steel cable or clear nylon hangers, with a range of hooks to choose from.

**Top Rails**

**Technical Information**

This Top Rail is aluminium and is made in 2m lengths, dimensions as shown. Standard finish for top rail and top anchors is Powdercoat, white or silver. Drilled and countersunk x7 with a marker line. Should additional fixing holes be needed. All fixings included. Can be fitted in 4 different positions.
