

Locator Minirail

The Locator Minirail system is the smallest picture rail in the world, has a minimalist quality and the fixings and the tops of the hangers are hidden from view, all you see is a smooth flat surface with the stainless steel cable or clear nylon hanger discreetly emerging from the bottom edge of the rail.

Top Rails

Technical Information

This top rail is aluminium and is made in 2m lengths.
 The standard finishes are gloss white and satin silver.
 Clipscrews and masonry plugs are supplied at the rate of six per 2m length.
 End caps are available in white or grey.

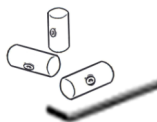

LOWM Locator Minirail top rail, 2m, white, inc. fixings
 LOSM Locator Minirail top rail, 2m, silver, inc. fixings

Rail Accessories

LCM Locator top rail connector

LSE Locator Stopper Kit (for installing hangers on an angled Top Rail), x 10, inc. Key

LEWM Endcap – pair, white
 LESM Endcap – pair, grey

Hangers

Both hangers can be fitted with either 1.8mm stainless steel cable or clear 2mm nylon. 1.5m is the standard length of the hangers but they can be made into any length required.

This hanger has to be slid along from one end, only the cable is visible.
 Available in any length at .5m intervals.

This hanger can be inserted anywhere along the rail
 Part of the top is visible
 Available in 1.5m & 2m lengths.
